Dear Sir/Madam,

I have been asked by the Director of the Illinois State Museum to request the two-volume set that includes the summary, DEIS/proposed rule, appendices, and set of maps, that you are distributing. We will catalogue this two-volume set into our library for the museum staff and public patrons to use in their research.

The mailing address to send these publications is:

Research and Collections Center Library
1011 East Ash Street
Springfield, Illinois 62703

Thank you for your generosity in distributing this publication upon request. I look forward to recieving these volumes and adding them to our library holdings.

Sincerely,

Ronald E. Sauberli
