Keywords: conferences, newsletter, outreach, education

Start Date: 03/01/2001

End Date: 02/28/2002

Federal Funds: \$0

Non-Federal Matching Funds: \$0

Congressional Districts: 4, 5

Principal Investigators:

Patrick L Brezonik

Professor, University of Minnesota

James L Anderson

Professor, Water Resources Center

Abstract

This is the basic support project for the Water Resources Center. It will help support the Center's outreach activities and basic administration of the WRRRI program. Funds will be used primarily to help support a graduate student editor for our newsletter and help defray production and distribution costs for the newsletter and other WRC publications.
