Focus Categories: Law, Institutions, and Policy, Waste Water

Keywords: technology transfer, information dissemination, world wide web, public education

Start Date: 03/01/2001

End Date: 02/28/2002

Federal Funds: \$22,071

Non-Federal Matching Funds: \$21,921

Congressional District: 8

Principal Investigator:

Ric Jensen

Professional Staff, The Texas AM University

Abstract

The TWRI Information Transfer Program will consist of production of four newsletters, including "Texas Water Resources," "New Waves," "Texas On-Sight Insights," and "Texas Water Savers." Will also include maintenance of the TWRI World Wide Web Site including articles, photos, and technical reports. Internet listservers will be used to communicate with members and other stakeholders on a daily basis. Special publications and projects will be produced as needed.
