

"No matter what the level of your ability, you have more potential than you can ever develop in a lifetime."

- James T. McCay

A USGS hydrologic technician wades in the San Miguel River to gather streamflow information near Telluride, Colorado.

### USGS Course Announcement Listservs

Get email announcements about courses sent to you automatically by subscribing to the appropriate Listserv below.

- **GWHydrologyCourses** (Ground-Water Hydrology Courses)
- **SWHydrologyCourses** (Surface-Water Hydrology Courses)
- **WQHydrologyCourses** (Water-Quality Hydrology Courses)
- **InterDiscHydrologyCourses** (Interdisciplinary Hydrology Courses)
- **AdministrativeCourses** (Administrative Courses)
- **GISCourses** (Geographic Information System Courses)
- **ITCourses** (Computer/Information Technology Courses)
- **SafetyCourses** (Safety Courses)
- **Pubs-GraphicsCourses** (Publications, Editing, Grammar, Graphics Design, etc. Courses)
- **Mngmt-LeadershipCourses** (Management, Supervisory, and Leadership Courses)
- **BiologyCourses** (Biology Courses)
- **GeographyCourses** (Geography Courses)
- **GeologyCourses** (Geology Courses)
- **HumanResourcesCourses** (Pre-Retirement Planning, Time Management, Employee Benefits, Interpersonal Communication Courses, etc.)

To Subscribe, e-mail: [listproc@listserver.usgs.gov](mailto:listproc@listserver.usgs.gov)

In the body of the e-mail document type:

"Subscribe" "Listserv Name" "Requestor First Name" "Requestor Last Name" (e.g., subscribe ITCourses Theresa Lane).

For example, you wanted to get all hydrology course announcements, you could list all the hydrology Listservs in the body of the email on separate lines as such:

subscribe InterDiscHydrologyCourses OED Support Services  
 subscribe WQHydrologyCourses OED Support Services  
 subscribe SWHydrologyCourses OED Support Services  
 subscribe GWHydrologyCourses OED Support Services

### Your Place to Watch Short, On-demand Instructional Videos

<http://water.usgs.gov/hydrtube/>

These videos are meant to provide simple guidance in performing routine job-related tasks. The videos are grouped by specific topic and are generally in an order that they should be viewed.

## Membership of the Scientific and Technical Employee Development Committee (STED)

Name	Area	Representation Group
Joseph Capesius	Southwest	Data Section Chief (Chair)
George Sechen	Northeast	IT Specialist
Debroah Stoliker	California	National Research Program (NRP)
Kevin Richards	Midwest	Water Science Center Director
Greg Clark	Northwest	Studies Section Chief
Rod Sheets	Midwest Areas	Water Science Field Team Specialist
David Pollock	Headquarters	Office of Groundwater
Jim Kolva	Headquarters	Office of Surface Water
Stan Skrobialowski	Headquarters	Office of Water Quality
Jim Cornwall	Headquarters	National Water Information System
Alan Ward	Headquarters	OED, Science and Technical Training
Jerad Bales	Headquarters	Water Senior Staff Representative
Michael Ierardi	Headquarters	IT Specialist (Webmaster)

USGS employees are trained to prepare and collect water-quality samples for analysis.

## We Want To Hear From You!

Do you have any training and development issues, questions, or ideas?
