From: Katherine Lins

Subject: Commendation from the Information Technology Advisory Committee

I want to thank you for your contributions and dedication to the work of the Information Technology Advisory Committee (ITAC) of the Water Resources Discipline (WRD).

In its role as an information technology (IT) advisory committee, the ITAC provides a critical network of communication to and from the administrative and mission-specific IT applications of WRD. Requirements sharing through ITAC have been vital to the IT decisionmaking process in WRD. Your participation as the System Administrator to ITAC has contributed significantly to the successful accomplishments of this committee.

Again, on behalf of ITAC, thanks for your excellent contributions.
