It was agreed upon there will now be list of webinars on SharePoint rather than on the action items list.
It will be kept up-to-date through communication on conference calls and at each F2F.

Streamview – Sandy Williamson

- Riverview.org has access to camera -
- How to store the data? Metadata and geo-tagging rules to be developed
- Maybe leave storage in their hands and gain access in some way
- Conference call scheduled with Jason Alexander
- Will add it to the ND agenda for an update

Mobile Computing – Bob Swanson

- Meeting Scheduled on August 4th & 5th
- Katherine to send memo accounting the committee (SMAC needs to be announced also)

Created new document for North Dakota Agenda Building - started a list of topics and to-do's
